

REMARKS

A supplemental declaration for reissue patent application is filed herewith to cover errors which are not covered by the prior oath(s) and/or declaration(s) previously submitted in this application. The supplemental declaration is not signed by the inventors, because the inventors refused to join in the filing of the application. A copy of the decision to grant the petition under 37 C.F.R. 1.47(b), filed in the present application, is filed herewith.

It is respectfully submitted that all of the Examiner's objections have been successfully traversed and that the application is now in order for allowance. Accordingly, reconsideration of the application and allowance thereof is courteously solicited.

Respectfully submitted,

Date: December 14, 2009
